Mrs. International Competition

HISTORY: The Mrs. International Pageant began in 1986 in Dallas, Texas recognizing the importance of a Competition that emphasized more than just the "physical" beauty of the married woman. Mrs. International® set itself apart from other pageants by being the *first* pageant eliminating the swimsuit phase and replacing it with aerobic wear competition, placing the emphasis on health and fitness. By pioneering new and innovate ideas such as including husbands on stage and the crowning of the queen by her husband, they were appealing to an entirely new market, the family, represented by the wife.

Sponsorship Fees

The entry fee is \$295.00. The fee covers: The right to represent her community for the calendar year 2006, a full-theater production, all of your meals, tickets to the show for your husband and children under 5 years old and a "City Delegate" sash. This fee may be paid by you personally or donated by family, friends, employers or other organizations. This fee is non-refundable! Each delegate will also be responsible for a minimum of a ½ page advertisement in the state souvenir program book.

Judging

Our judge's panel is selected with the utmost care. It is their job to bring out the best in you – delegates leave the interview with a smile, knowing they were at their very best. The competition scores are tallied on the computer by a licensed Certified Public Accountant. Your scores and comments will be available to you 30 days after pageant (per Mrs. International guidelines.) There is **no swimsuit competition and no performing talent** is required.

Personal Private Interview (50%) - This is a one-on-one interview. There will be 5 – 7 judges and you will have 5 minutes with each one. Criteria for scoring will be overall first impression; personal appearance; communication skills, ability to relate and commitment to marriage. Each delegate will be asked to have a platform (a cause or an organization that she believes in.) She will promote her platform during the year as Mrs. Ohio®.

Aerobic Wear (25%) - During this phase the delegates are being judged on general appearance and physical fitness including proportion of figure (Is it pleasing in relation to her height, weight and bone structure) as well as energy projected. She should showcase an appearance of good physical health, poise and confidence. Mrs. International® sets itself apart from other pageants by being the first pageant eliminating the swimsuit phase and replacing it with aerobic wear competition, placing the emphasis on health and fitness.

Evening Gown (25%) - During this competition the total look is considered. The judges are looking for poise, grace and sense of style. Does her gown compliment her figure and her onstage personality? Your husband will escort you in this phase of competition.

Additional Awards Given - Mrs. Ohio® Physical Fitness Award, People's Choice Award and the Community Service Award.
